

# BALANCILO 2

Code: K202

## Description

Playground seesaw with two seats, two handles, and back support. Seesaw with stylistics referring to the shapes of the snail and vivid colors. Construction made of stainless steel resistant to weather conditions and intensive use. Device for playground includes two bumpers under the seats to ensure safety during play. Seats are made of HDPE material. Thanks to this solution the seats aren't heating during sunny days and aren't freezing during the winter. Both handles ending with decorating round ball forming a snail.

Optional colors to choose: red, bright green, blue and orange (Multicolor) or grey and brown (Nature).

## Playground device consists of

2x seats with back support  
2x handles  
2x bumpers
